VPL's Summer Reading Program – Storyteller Mr. Kippy

Victoria Public Library invites children of all ages to a fun filled storytime with Mr. Kippy.

WHO: Mr. Kippy

WHEN: Tuesday, July 13, 2010, 2:00 pm

WHERE: Victoria Public Library, 302 N. Main

WHY: The Victoria Public Library is a place where children can learn, read and have fun. Reading is the basis for learning. Encouraging children to read and use the library will inspire lifelong learning. The 2010 Summer Reading Program encourages reading for fun with free activities and programs for children and teens.

Mr. Kippy's programs are action-packed explosions of joy. They are crammed full of music, stories, creative dramatics, books, puppets, props, ball playing and many other indescribably exciting activities.

Mr. Kippy has been working with children since 1984, first as a teacher and then in 1991 as the San Patricio County Children's Librarian. Every week he travels across the county and does storytime for an average of about 1000 children.
